

**Summary of Final Listing Decisions & Extensions for West Coast Salmonids
under the Endangered Species Act (ESA)
June 2005**

Salmonid Species	ESU Reviewed	Current ESA Status	Recommended Listing Determination	Number of Hatchery Stocks Included in ESU
Sockeye Salmon (<i>O. nerka</i>)	Snake River	Endangered	Endangered	1
	Ozette Lake	Threatened	Threatened	2
Chinook Salmon (<i>O. tshawytscha</i>)	Sacramento River Winter-run	Endangered	Endangered	2
	Central Valley Spring-run	Threatened	Threatened	1
	California Coastal	Threatened	Threatened	7
	Lower Columbia River	Threatened	Threatened	17
	Upper Willamette River	Threatened	Threatened	7
	Upper Columbia River Spring-run	Endangered	Endangered	6
	Puget Sound	Threatened	Threatened	26
	Snake River Fall-run	Threatened	Threatened	4
	Snake River Spring/Summer-run	Threatened	Threatened	15
Coho Salmon (<i>O. kisutch</i>)	Central California Coast	Threatened	Endangered	4
	S. Oregon/N. California Coasts	Threatened	Threatened	3
	Oregon Coast	Threatened	Extended *	5
	Lower Columbia River	Candidate	Threatened	25
Chum Salmon (<i>O. keta</i>)	Hood Canal Summer-run	Threatened	Threatened	8
	Columbia River	Threatened	Threatened	3
<i>O. mykiss</i> †	Southern California	Endangered	Extended *	0
	South-Central California Coast	Threatened	Extended *	0
	Central California Coast	Threatened	Extended *	2
	California Central Valley	Threatened	Extended *	2
	Northern California	Threatened	Extended *	2
	Upper Willamette River	Threatened	Extended *	0
	Lower Columbia River	Threatened	Extended *	10
	Middle Columbia River	Threatened	Extended *	7
	Upper Columbia River	Endangered	Extended *	6
	Snake River Basin	Threatened	Extended *	6

* The ESA provides for a 6-month extension of a final listing determination if there is substantial disagreement on the sufficiency or accuracy of the available data relevant to the determination.

† The taxonomic species *Oncorhynchus mykiss* includes steelhead and rainbow trout.
